

AMENDMENTS TO THE DRAWINGS

The attached sheets of drawings include redrawn Figs. 1-19. Those sheets replace original Figs. 1-19.

Attachment: Replacement Sheets

REMARKS

* This response is being filed in reply to the "Notice to File Corrected Application Papers – Notice of Allowance Mailed" dated May 24, 2007 (a copy of which is attached to this response), indicating that the character of the lines, numbers and letters of Figures 2-6 and 12-17 is poor.

With this response, redrawn replacement Figs. 2-6 and 12-17 are now clearly legible and comply with the requirements under 37 CFR §1.173 and §1.84.

To provide consistency with replacement Figs. 2-6 and 12-17, Figs. 1, 7-11, 18 and 19, although not objected to by the Office, have also been redrawn in compliance with 37 CFR §1.173 and §1.84.

No new matter has been added by the amendments to the Figures.

CONCLUSION

In view of the foregoing, Applicants respectfully request entry of the enclosed replacement figures.

Applicants do not believe that a fee is due for this response, as it is being filed within the two-month shortened statutory period. However, should Applicants be incorrect, the Commissioner is hereby authorized to charge any necessary fee to Deposit Account No. 19-1345.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James Harper". The signature is fluid and cursive, with the first name "James" and last name "Harper" clearly distinguishable.
